

Canada Elite Badminton & Sports Hiring Full Time Badminton Coach

Overview

Canada Elite Badminton is one of the newest badminton clubs in the GTA and within a short period of time we were able to promote and build a badminton community in the city of Vaughn.

Our facilities hold 8 full size BWF certified world championship tournament courts. We have training programs for all levels from beginners to competitive play. We have an excellent coaching team that continuously inspires all to develop a passion for badminton.

Coaching Philosophy

As one of the Badminton Ontario affiliated clubs, Canada Elite Badminton & Sports aims to stand out from its peers by having a consistent and transparent philosophy – anchored in our proven training model, and rooted in a desire to instill in our athletes and communities the passion and confidence to play badminton.

Business Model - deliver consistent earnings growth and to grow the franchise

Training Model - cultivate confident athletes by fostering an environment where they feel empowered to perform and instill a lifelong passion for badminton.

Purpose Driven - Establish and operate within our *vision, purpose, and shared commitments*

Elite Framework

The Elite Framework provides guidance for our staff, coaches and athletes to understand our culture as we execute on our business strategy and coaching philosophies of being a premier Badminton club in Canada.

Our Vision: encourage passion and enthusiasm for badminton

Our Purpose: enrich the lives of our athletes and promote healthy living within our communities

Our Shared Commitments:

- Fostering a fun and safe environment - embrace diversity and respect one another
- Promoting physical fitness - encouraging our athletes to stay active and to reduce device time.
- Emphasis on sportsmanship - teaching our athletes to win humbly and to lose gracefully while respecting the badminton rules and regulations.
- Cultivating teamwork - promoting cohesion and camaraderie amongst teammates, coaches and parents.
- Technical mastery - coaching our athletes to continuously improve and refine their badminton skills.
- Promoting healthy competition - encouraging our athletes to play competition to stimulate growth and progress.
- Promoting personal best and accountability - helping our athletes recognize and maximize their potential by setting their own goals and being accountable for achieving their own success.
- Building positive attitudes - nurture our athletes to stay positive especially during challenging circumstances.

- Developing resilient and adaptable athletes - teach our athletes various mental and technical strategies to bounce back from setbacks and adapt to changing game environments.
- Building professional athletes - teaching our athletes what it takes to be a champion badminton player. Listing a few attributes; athleticism, cognitive skills, stamina, teamwork, decision making, concentration and dedication. These are all transferable life skills both on and off the badminton court.
